

WE CAN BE FRIENDS

WE CAN BE FRIENDS

by EdsonSoria

WE CAN BE FRIENDS

There were
two siblings in
the city. They
were alone.
Andrés was
older than
María.

WE CAN BE FRIENDS

They were
very happy.
Andrés was
very
responsible
and María was
very helpful.

WE CAN BE FRIENDS

One day,
María was
sleepy. She
was cleaning
her house
since early.
She was so
responsible
with her
household
chores.

WE CAN BE FRIENDS

Andrés was very conscious about Mother Earth. He was always cleaning the garbage in the park when he was there.

WE CAN BE FRIENDS

They were
two siblings
that love
nature so
much. They
were Mother
Earth's
friends.
